La Roche-Posay Hyalu B5 Hyaluronic Acid Serum 30ml

£38.00 (30 ml)

Alternatively, text us the product name: +44 773 783 2909

Why you'll love it

With continued use, this genuinely makes your skin look like you've only drank water and eaten greens for a month. The hyaluronic acid sits in two different molecular sizes; the bigger of the two replumps the surface and the smaller ones penetrates the skin barrier to work from within... it's all very techy. You will just love how dewy your skin looks tbh.

La Roche-Posay Lipikar AP+M

Body Lotion

£20.00 (400 ml)

Alternatively, text us the product name: +44 773 783 2909

Why you'll love it

If you have extremely sensitive and dry skin, and it's been difficult to find a body lotion that actually does the job. By using the Lipikar Balm AP+ from La Roche-Posay for a few months will leave your skin feeling moisturized all day long without having to reapply it every few hours. Plus, it's really affordable! Win win.

Alternatively, text us the product name: +44 773 783 2909

Why you'll love it

It has only been over the past 10 years that La Roche-Posay has been widely available in the UK, but it already feels as though we couldn't be without it. Each product presents a solution to a common problem and the brand is renowned in France as one of the experts in sensitive skin. The Cicaplast Baume B5 is an all-in-one wonder cream gentle enough to use on babies yet effective enough to soothe rashes caused by dermatitis and other skin complaints.
